U.S.A. vs. Sheraton Vincent Walker

Docket No. 5:03-CR-135-1H

Petition for Action on Supervised Release

COMES NOW Debbie W. Starling, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Sheraton Vincent Walker, who, upon an earlier plea of guilty to Felon in Possession of a Firearm, in violation of 18 U.S.C. §§ 922(g)(1) and 924, was sentenced by the Honorable Malcolm J. Howard, Senior U.S. District Judge, on March 1, 2004, to the custody of the Bureau of Prisons for a term of 100 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 60 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall abstain from the use of any alcoholic beverages, shall not associate with individuals consuming alcoholic beverages, shall not frequent business establishments whose primary product to the consumer is alcoholic beverages, and shall not use any medication containing alcohol without the permission of the probation office or a prescription from a licensed physician.
3. The defendant shall participate in a program of mental health treatment, as directed by the probation office.
4. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
5. The defendant shall participate in a vocational training program as directed by the probation office.

Sheraton Vincent Walker was released from custody on May 28, 2010, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS: On October 7, 2010, the defendant submitted a urine specimen which proved positive for cocaine. When confronted regarding this result, Walker advised he may have smoked a cigarette that was laced with cocaine, and this was an isolated incident. He is participating in outpatient counseling and to detect any future drug use, he will continue to be drug tested randomly. Additionally, the defendant is unemployed. To assist him with job readiness skills, we are recommending that the conditions of release be modified to include vocational training, cognitive behavioral training, and educational services.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall be confined in the custody of the Bureau of Prisons for a period of 2 days as directed by the probation officer, and shall abide by all rules and regulations of the designated facility.
2. While under supervision in the Eastern District of NC, the defendant shall participate in the DROPS Program and, in response to detected illegal drug use, shall be confined in the custody of the Bureau of Prisons for a period not to exceed 30 days of intermittent confinement, as arranged by the probation office, in the following increments: First Use - Two Days; Second Use - Five Days; Third Use - Ten Days. The defendant shall begin the DROPS Program in the second use level.
3. The defendant shall participate in a vocational training program as directed by the probation office, which may include job readiness training and skills development training.
4. The defendant shall participate in a cognitive behavioral program as directed by the probation office.
5. The defendant shall participate in an educational services program as directed by the probation officer. Such program may include GED preparation, English as a Second Language classes, and other classes designed to improve the defendant's proficiency in skills such as reading, writing, mathematics, or computer use.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

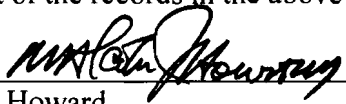

I declare under penalty of perjury that the foregoing is true and correct.
